《HSK 标准教程》

HSK stands for Hànyǔ (Chinese) Shuǐpíng (level) Kǎoshì (test), which is the most important Chinese proficiency test in use today. It assesses non-native Chinese speakers' abilities in using Chinese in their daily, academic and professional lives. At the end of the course, you will be able to understand and use simple Chinese phrases, meet basic needs for communication and possess the ability to further your Chinese language studies. Have a fantastic journey of Chinese learning.

### **Standard Course for HSK**

The structure of HSK mandarin course:

The [HSK standard course](#) is divided into 6 levels, Chinese HSK 1 is the entry level, and the HSK level 6 is the highest level.

The first to the second level is the entry level and they are mainly about Chinese language training. The third to sixth level includes four sub-courses: Chinese listening, Chinese reading, Chinese writing and examination.

Chinese listening, reading and writing courses include four parts: answer skills, outline vocabulary learning lists, common phrase learning lists, exercises and refined lectures.

The curriculum classification of standard course HSK:

According to the tenet of "to promote teaching with examination" in the HSK examination, we combine the content that often appears in the HSK examination and the language needed in the actual life. From the 9 dimensions of difficulty, type, scene, function, and etc, we have made a new editing and classification, and

have formed a unique classification method.

Self-study process of HSK course:

The first step: choose the learning level.

The second step: choose the type of training (listening/ reading/writing). Before the exam, you can also take a mock exam to feel the examination environment.

The use of the HSK system in teaching:

For international Chinese teachers, we have a resourceful teaching supplement system. Teachers can retrieve a large number of exercises according to their grades, classifications, and types. We offer additional PDF version download, instruction reference and remote teaching platform service for teachers. If you need it, please contact us.
